

CAPABILITIES STATEMENT

Delivering Mission Assurance at Scale

Operational Control • Audit Readiness • Enterprise Execution

Cambrae Business Strategies delivers mission-critical operational control, audit readiness, and enterprise support across complex federal environments. Trusted across DoD, VA, and USDA — enabling programs to operate with full accountability, zero audit findings, and uninterrupted execution.

Our teams operate in environments where failure is not an option.

MISSION SOLUTIONS

✓ Mission Assurance & Audit Readiness

Ensuring financial integrity, compliance, and audit success

- ▶ FIAR governance, internal controls (ICOFR) & audit remediation
- ▶ DoD IG / GAO response support
- ▶ Financial reconciliation and ADVANA integration
- ▶ Zero audit findings across major federal agencies

■ Operational Control & Asset Visibility

Delivering accountability across large-scale federal asset environments

- ▶ Lifecycle management of \$21B+ in federal assets
- ▶ Property accountability (GFP, DPAS, FAST, FMVRS)
- ▶ Fleet optimization and vehicle allocation methodology
- ▶ Real-time visibility across distributed environments

▲ Enterprise Systems & Data Integration

Modernizing systems to enable performance and decision-making

- ▶ 350,000+ federal users across enterprise platforms
- ▶ API integration (MuleSoft) | Cloud (Oracle AWS RDS)
- ▶ Data analytics and visualization (Power BI)
- ▶ Legacy modernization with zero operational disruption

★ Executive & Mission Support Operations

Enabling leadership execution in high-tempo environments

- ▶ Direct support to senior DoD leadership & program offices
- ▶ Multi-site operational coordination across CONUS
- ▶ Task management, correspondence & executive scheduling
- ▶ Secure handling of sensitive and classified workflows

WHY AGENCIES TRUST CAMBRAE

✓ Demonstrated Execution at Scale

Sustained performance in high-accountability environments where audit failure and mission disruption carry real consequences.

✓ Enterprise-Scale Operations

Managed \$21B+ in federal assets, 350K+ employees, and 12,000+ cardholders — simultaneously, across multiple agencies.

✓ Zero Audit Findings

Consistent record across DoD, VA, and USDA — not a single audit finding across five-plus years of continuous performance.

✓ Practitioner-Led Teams

Former federal and military leaders, agency specialists, and certified financial professionals at every level.

✓ Mission Continuity

Transitions executed without disruption, systems modernized without downtime, programs delivered without exception.

PAST PERFORMANCE

Dept. of War (DoW) / ODASW(Log)

Prime — HQ003426FE115 | Equipment Mgmt & FIAR Support

- ✓ Equipment lifecycle management & fleet analytics
